ELBEE
TECHNOLOGIES LIMITED

ELECTRICAL ,IT AND GENERAL CONTRACTOR

About Us

ELBEE TECHNOLOGIES is involved in a variety of electrical work, ranging from: Domestic to Industrial Installations and General Contracting. Apart from our electrical and general works, we also provide solutions in information technology services. We pride ourselves on quality workmanship and service excellence. We are an authorized company and registered with all relevant Authorities. Situated in Lusaka Province Our delivery is always to specification and in line with the clients' needs. Our sound knowledge of the Industry allows us to be hands on in every aspect of the job from the beginning to end

Core Values

- * Integrity
- * Transparency & Honesty
- * Reliability
- * Quality of Workmanship
- * Affordability
- * Innovative thinking

Vision & Mission

To provide superior work to clients and take the time to understand their needs before providing efficient and safe solutions.

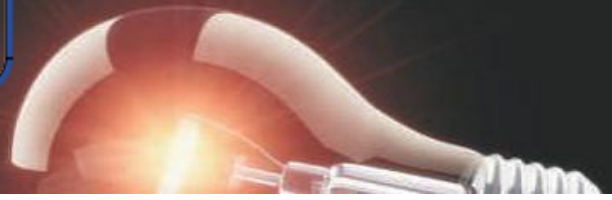

Business Objectives

1. Provide custom solutions with outstanding customer service which enhances customer's efficiency and secures us long relationship via contracts and recurring projects.
2. Grow company in staffing to accommodate the growing need for services by offering a dynamic work environment with flexible hours, a commitment to ongoing education, and offer bonuses to commensurate with performance and earnings.
3. Focus on delivering contracts. We are small enough to turn 'on a dime' compared to its larger peers burdened with 'red tape' requirements.
4. We have a can do attitude and happy to get the deliverables in the most efficient manner to our clients.
